Explanatory notes to accompany data subject access request form

1. If you are filling out the form on someone's behalf, please complete and return the form together with the authority to act, signed by the person who is authorising you to act on their behalf.
2. Sometimes people are interested in data relating to a specific event or time period. If you indicate that you only seek data relating to such an event or time period, you will receive personal data only in relation to this. It will save you having to go through large numbers of unrelated papers that may be of little interest to you at this point in time.
3. If you are requesting your health records, please be advised that PwC may not hold these. You may need to make a separate request to the relevant healthcare provider.
4. If you believe that members of staff are holding personal data about you, please name them on the form. Please note that people will be informed that searches of their PwC IT accounts and hardware will be conducted and they will therefore be aware that you have made a request.
5. We will endeavour to provide you with your personal data or take the action requested as soon as possible, however, this may take up to one month. In some cases, depending on the complexity of the case, it may take longer than one

month. This period will commence once we have sufficient information to begin searches (including appropriate identification).

6. 6. You are entitled to personal data about you. Some documents may contain personal data relating to a person other than you, or might contain other data not relating to you. Where this is the case, we will block out the data not personal to you.
7. 7. You understand that we cannot release any data without checking that it is released to the right person. Therefore we ask you to provide us with copies of one of the following: identification documents (such as ID or passport), driving license or other document which can evidence your identity.

Once completed, please return the form and your identification documents to: privacycro@hr.pwc or Heinzlova ulica 70, 10000 Zagreb, Croatia
