Become a professional coach!

PwC's Business Coaching Diploma

Comprehensive coaching course
accredited by two international
coaching associations:

ICF & EMCC

Now in Zagreb too!

This program has been offered in Poland since 2014 and since this autumn in Zagreb too!

The aim of the programme is to provide a quality business-oriented coach training to all who wish to become a **qualified, professional coach**.

Our beliefs

Coaching promotes a systemic approach to the client's experience, taking into account business context, organisational culture as well as personal values and motivation.

Coaching relationship is a confidential alliance between a coach and client formed with the purpose of supporting clients in reaching desired outcomes in work and life.

The coach knows that resources and solutions lie within the client and serves as a facilitator of the process of self-discovery and empowerment.

Who it is for

The course is suitable for leaders, managers, HR professionals, business skills trainers, counsellors, consultants, psychologists, educators and **everyone who is interested in bringing their coaching skills to a professional level**.

PwC's Academy's mission is to support business leaders and HR specialists in implementing coaching culture within their organisations.
